## Precautions

- Passes can only be purchased at Reserved Seat Ticket Vending Machines placed within the jurisdiction of JR East that have the passport reader installed.
- Only passenger with non-Japanese IC chip passport can purchase rail passes. (Your residence card cannot be used as a substitute for your passport.)
- The purchase must be made by the user of the pass themselves using their original with a valid IC chip. (Even the family members cannot purchase rail passes on behalf of the passenger without having him/herself.)
- To purchase passes for more than one person, passports for all users must be scanned.
- For details of eligibility to purchase the rail pass for foreign visitors and foreign residents, see the JR EAST'S website <https://www.jreast.co.jp/multi/en/pass/index.html>
- Sales hours of the Reserved Seat Ticket Vending Machine may vary depending on its location.
- There may be cases when the Reserved Seat Ticket Vending Machine's sale hours are longer than those of sales offices (such as the JR East Travel Service Center). For all inquiries, including refunds, please use sales offices (such as the JR East Travel Service Center) during their business hours. <https://www.jreast.co.jp/e/ticketwindow/>
- Please do not forget to take your passport after scanning it.
